ATHLETIC TRAINING PROCEDURES FOR HOME VARSITY FOOTBALL GAMES

- Township of Franklin Emergency Medical Services will be on site for all home varsity football games. EMS units will be stationed behind the East end zone of John A. Oberg Field.
- A licensed physician (either an MD or DO) will be on site for all home varsity football games. The physician will be available to the visiting team for injury evaluations upon their request.

DELSEA ATHLETIC DEPARTMENT TEAM PHYSICIANS

Dr. Dave Koerner, Team Internist
Vorhees Family Medicine
856-783-6200

Dr. Brad Bernardini, Team Orthopedist
South Jersey Center for Orthopedics
856-696-0900

- One table, one large trash can, and two benches are located on the visiting sideline.
- No electricity or water source is available on the visiting sideline of John A. Oberg Field.
- The Delsea Middle School gymnasium locker room is available to visiting teams for pre-game and halftime meetings. Bathrooms are located in the locker room.
- Please contact the Delsea Regional High School Athletic Training Room at 856-694-0100 extension 257, prior to game day in the event your team needs assistance moving sideline equipment into the stadium.
- In the event the visiting team is in need of water or ice during the course of a varsity football game, contact Kevin Briles at 609-418-9502, or send a team representative to the home sideline.

PROCEDURES FOR ON FIELD EMERGENCIES

- The Delsea Regional High School athletic trainer will go onto the playing field if an injury occurs to either an athlete from Delsea Regional High School or the visiting team. In the event an injury occurs to a visiting athlete, Delsea Regional High School's athletic trainer will position himself/herself on the field between the injured athlete and the EMS unit, and act as a liaison between the two parties.
- Delsea Regional High School's medical staff will assist in the treatment of a visiting athlete at the request of the visiting team's medical staff.
- Delsea Regional High School's athletic trainer will evaluate and treat injuries to the opposing team's athletes in the event the opposing team's athletic trainer is not present or is attending to another injured athlete. If Delsea Regional High School's athletic trainer and the opposing team's athletic trainer are both attending to injuries, Delsea Regional High School's team physician will respond to and treat any injury that may occur during that time.
- **TEAM PHYSICIANS WILL HAVE FULL MEDICAL AUTHORITY IN ALL SITUATIONS UNTIL THE INJURED ATHLETE LEAVES THE DELSEA REGIONAL SCHOOL DISTRICT CAMPUS.**
